

# HOUSEKEEPER REQUIRED

We are looking for a part time housekeeper to be responsible for the cleaning of our pub and six hotel rooms.

We are looking for cover for two or three morning shifts per week. We would also on occasion require extra holiday cover for our full time house keeper. A usual shift starts at 7am and will last between 3 to 6 hours per day. Great rates of pay available. If you work to a high standard with excellent attention to detail then we would love to hear from you.
