

COVID-19 STATEMENT

THE BULL
— DITCHLING —

After yesterday's cobra meeting regarding COVID-19 we want to take this opportunity to reassure you all that we are committed to ensuring the safety of customers and staff.

The Bull has consistently been awarded a 5* hygiene rating from the local government authorities for the last 17 years but we will currently also be implementing the following to ensure the upmost safety for all who visit us:

- 1) We will be increasing and intensifying our housekeeping on a daily basis.
- 2) We will carry out further "Deep" cleaning throughout the entire building on a twice weekly basis, including intense sanitizing, bleaching and sterilising of all surface areas.
- 3) We will ensure all staff are fully trained and adhere to increased hygiene levels and are required to wash their own hands every 20 minutes.
- 4) We are working closely with our laundry partners to ensure increased levels of sanitation are guaranteed through double cleaning of all items.
- 5) We will be closely monitoring the guidance provided by the WHO, NHS and British Government and will implement any new measures that are put in place.

We understand that this is a worrying time for everyone but please be assured that the owners, staff and supplying partners of The Bull take our responsibility to our customers, staff and community with the upmost seriousness and will ensure that we continue to do everything within our power to provide a safe space for all.

So remember **#weareopen** and **#supportlocal** businesses as much as you can.

If you have any concerns, please do not hesitate to share them with us.

Much Love
Dominic, Molly and the team x
